NEW US BUSINESS DEVELOPMENT MANAGER

St-Lambert, QC, January 25, 2006 – Roctest Ltd. "Roctest" (TSX: RTT) is proud to announce the appointment of Mr. Richard Hardman to the position of US Business Development Manager.

Based in Seattle, Mr. Hardman will be responsible for Western US sales. Richard brings more than 20 years of experience in sales and marketing of high tech products and was, during several years, involved with developing the United States market for a major Geotechnical Instrument manufacturer.

This nomination is in line with Roctest's expansion strategy and will strengthen Roctest's presence in the US. "We are very excited to have Richard's support in expanding our sales network and at the same time, increasing focus and assistance for our existing customers." Mr. François Cordeau, President and Chief Executive Officer of Roctest, remarked.

Forward-looking statement

Except for historical information provided herein, the press release may contain information and statements of a forward-looking nature concerning the future performance of the Company. These statements are based on suppositions and uncertainties as well as on management's best possible evaluation of future events, and as such involved a number of risk factors. Such factors may include, without excluding other consideration, risks related to foreign exchange fluctuations, evolution in customer demand for the Company's products and services, the impact of price pressure from competitors and general market trends or economics changes. As a result, readers are advised that actual results may differ from expected results. The Company is not required to update or revise publicly its forward-looking statements.
