

PRESS RELEASE

FOR IMMEDIATE RELEASE

FISO TECHNOLOGIES SIGNS A REPRESENTATION AGREEMENT WITH SENSORTEK

QUEBEC, QC — April 12, 2006 — FISO Technologies, a subsidiary of Roctest Ltd (TSX:RTT) and a leading manufacturer of high-quality fiber optic sensors and measurement systems for challenging and demanding applications, announces that it has signed a Representative Agreement with Sensortek Inc. According to FISO this appointment is reflective of the company's ongoing commitment to expand its reach into the US market.

In their new role as part of the FISO team, Sensortek Inc. personnel will cover the Sensor Market in Southern California, in the following counties: Imperial, San Diego, Riverside, San Luis Obispo, Kern, San Bernardo, Santa Barbara, Ventura, Los Angeles, Orange as well as in Clark county in Nevada.

According to Francois Pelletier, Vice-President Sales & Marketing at FISO Technologies « *We are very excited to welcome this great agency to the FISO family. We are confident this new partnership will be advantageous for FISO, Sensortek Inc. and, most importantly, our customers* »

Forward-looking statement

Except for historical information provided herein, the press release may contain information and statements of a forward-looking nature concerning the future performance of the Company. These statements are based on suppositions and uncertainties as well as on management's best possible evaluation of future events, and as such involve a number of risk factors. Such factors may include, without excluding other considerations, risks related to foreign exchange fluctuations, evolution in customer demand for the Company's products and services, the impact of price pressure from competitors and general market trends, economics and geopolitical changes. As a result, readers are advised that actual results may differ from expected results. The Company is not required to update or revise publicly its forward-looking statements.
